## A NEW MODEL TO FIT ANY FIGURE IN THE FAMOUS "Rengo Belt" Reducing Corset

You may have the very latest models of these renowned reducing corsets to suit your wishes—with or without elastic. The webbing used this season in our new "Steelastic"—a Samson strength, pliable fabric that will not give way and cause the corset to get out of shape long before it is worn out.

"Steelastic" like our exclusive Rengo Belt reinforcement for reducing and supporting the abdomen, and double watch-spring steels, has been invented because of its strength and endurance. No matter what model you select, no matter whether you choose the more flexible garment with "Steelastic" you will find the famous Rengo Belt strength and reducing capacity in every garment.

Steel guaranteed not to break nor rust.
